 - **n. 5 (five) students** will be selected to take the course at the Okan University of Istanbul (TR), in the second semester of the first year, according to a specific International Cooperation Agreement signed between the University of Campania "Luigi Vanvitelli" and the Okan University in Istanbul on 01.07.2020,
- b) **15 (fifteen) places** being reserved for non-EU citizens residing abroad.

Article 2) REQUIREMENTS TO PARTICIPATE IN THE ADMISSIONS PROCEDURE

1. There are **50 (fifty) places** for Italian citizens, EU citizens residing anywhere and non-EU citizens under art. 26 of Law n. 189/2002, who hold a Class 4 Bachelor's Degree, according to D.M. 509/99 (now Class L-17, according to D.M. 270/04), awarded by any Italian university, or other equivalent qualification obtained abroad. For anyone holding a Bachelor's Degree in another class, admission is conditional to the possession - with reference to the individual disciplines - of at least 108 credits (ETCS) as set out by D.M. 16/03/2007 (Attachment n. 2) for the Degree Class L-17 in Architectural Science. The presence of any debts precludes admission to the Master's Degree.

There are **15 (fifteen) places** for non-EU citizens resident abroad included in the lists of applications for early enrolment for Degree Courses in Architecture of this University, produced by the aforementioned non-EU citizens and transmitted to this University by the Italian Diplomatic and Consular representatives in their respective countries of origin.

2. Knowledge and understanding of English is also requested (at least B1 level according the CEFR). Applicants will have to take an English language test on **3 November 2021 at 10.00 am**. With subsequent notice published on the University website www.unicampania.it in the section "Admission to limited number courses" will be communicated how the test will be carried out.

Applicants can submit appropriate certificate issued by a certified school or cultural institute in Italy or abroad (Attachment n. 3) via email to the following address: segarchitettura@unicampania.it

Participants must fulfil the admission requirements, referred to in this Article, on the date of submission of the application form.

In the event that the requests received to participate in the admissions procedure, within the terms set out in the following art. 3, are lower than the number of places available, candidates who submitted the aforementioned application, who meet the requirements of this call for applications, have the right to enrol in the terms set out in the following art. 7.

The University reserves the right to proceed with the issue of a further admissions procedure

4. All the candidates are admitted with reserve to the admissions procedure. The Administration may at any time, by reasoned provision, exclude the prescribed requirements by default or false declarations; this provision will be notified to the interested party by registered letter with acknowledgment of receipt.

Article 3) APPLICATION TO PARTICIPATE IN THE ADMISSIONS PROCEDURE – PAYMENT OF ADMISSIONS PROCEDURE FEE

Candidates must apply to participate in the admission procedure using the credentials to access the University's exclusively on-line (website: www.unicampania.it - Servizi on line > Studenti> Concorsi on line – click on > Accedi al servizio), starting from **July 16, 2021** and no later than **October 29, 2021**.

Article 4) CRITERIA AND PROCEDURE FOR THE APPOINTING OF A COMMISSION IN CHARGE OF THE ADMISSIONS TEST AND THE HEAD OF THE PROCEDURE

The Commission responsible for the admission test will be appointed with a subsequent Executive Order and composed of a President and 4 components and one substitute nominated from the academic staff of the Department of Architecture and Industrial Design.

The Commission has all the responsibility for the smooth running of the selection procedure and the definition of the relative ranking according to the procedures and criteria set out in this Notice.

All the procedures carried out by the Commission shall be reported in the appropriate minutes, initialled

on each page and signed by the President and all the members of the Commission.

Pursuant to art. 4 of Law n. 241 of 07.08.1990 (New rules of administrative procedure and the right of access to administrative documents) and to the University Regulations for the implementation of Act 241/90 (by D.R. n. 713 of 25/03/2011) the Director of the Student Registry of the Department of Architecture and Industrial Design, Dr. Giulio GAGLIONE, will

be appointed as Head of the entire admissions procedure.

The members of the Commission and the Head of the admissions procedure, prior to accepting the appointment and after consultation of the records containing the names of the candidates participating in the admissions procedure, must release a statement claiming not to have any kinship or affinity up to the fourth degree inclusive with the participants as well as not hold a political office.

Article 5) FINAL CLASSIFICATION

The Commission shall draw up the overall classification of merit, on the basis of the following algorithm $P = ((M/100) * P1 + ((N-I+1)/N * P2 + B))$

Where:

M = Graduation mark

P1 = Degree mark weight

P2 = Reservation order weight

N = Total number of applications

I = Chronological order of booking

B = 10 - award for honours at the degree, or 5 for those who have had 110/110

The algorithm takes into consideration the order of presentation of the application and the degree mark achieved, each with a weight equal to 50% of the total. There is also a bonus of 5 points per degree mark equal to 110/110 and 10 points per degree mark equal to 110/110 cum laude.

In the event of a tie, the younger candidate will be awarded the place;

It should be noted that, for the purposes of formulating the ranking, the University will take into consideration the position in the chronological order of presentation of the application entered by the candidate, regardless of the moment of completion with the payment of the participation fee and/or subsequent insertion of the graduation mark.

Article 6) REGISTRATION OF CANDIDATES

The general classification will be published on the university website: www.unicampania.it as well as the Noticeboard of the Student Registry of the Department of Architecture and Industrial Design on **November 09, 2021**.

The publication will constitute a formal notification to the parties concerned, in all respects.
