EXCEPRT OF THE
“NOTIFICATION OF COMPETITIVE EXAMINATION FOR ADMISSION TO THE
RESEARCH DOCTORATE PROGRAMS – 31th CYCLE – OF THE
“SECONDÀ UNIVERSITÀ DEGLI STUDI DI NAPOLI (SUN)“
(issued by D.R. no. 544, June 11th, 2015)

Announcement

The Secondà Università degli Studi di Napoli (SUN) has established the 3 years attendance of the 31st cycle of the Research Doctorate Programs, that will be activated after their accreditation by the MIUR.

The call for the public competitive examinations for the reserved or not reserved admission to the Research Doctorate Programs (Enclosure A) has been announced.

The application deadline is on 07th July 2015.

Information for each Research Doctorate Program are listed below:

- the number of positions and student grants available included those financed by public or private bodies;
- the number of positions and student grants reserved for foreign students who have not Italian citizenship;
- the Doctorate School to which the course belongs;
- the administrative seat;
- eventual associated seats;
- the coordinator of the course;
- the timetable and the place of the examinations (the publication of timetables on this announcement on the University website www.unina2.it at the link Didattica – Dottorati di ricerca – Bandi represents official notification to the concerned candidates. In other words, candidates will not receive any further communication).

This notice will also be published on the website of the European EURAXESS and that of the Ministry of Education, University and Research.

Further information about the PhD. Program are available on the University website www.unina2.it.

Requirements for the admission

The call for the competitive examinations, reserved to graduated abroad, for the admission to the Research Doctorate Programs is open, without any restrictions in terms of age and nationality, to candidates holding of an equivalent degree issued by a foreign university. Candidates holding a degree issued in a foreign university which has not been declared equivalent to an Italian university degree as specified above, shall submit a formal request for equivalence - only for purposes of admission to the Research Doctorate Program. In this case the degree certificate translated according to the Italian laws and regulations, has to be included in the
application for admission to enable the Examination Board of the Doctorate Program to declare such equivalence. Moreover, the candidates holding the degree within 31st July 2015 may submit the application for participation in the selectiono. In this case, applicants must submit to the “Ufficio Ricerca”, located in Caserta, Viale Lincoln, 5 Building B – 81100 Caserta, within 1st September 2015, under penalty of forfeiture, the self-certification stating the achievement of the graduation, required for admission, with an indication of the degree mark, the date and the name of the University that issued the degree.

**Applications and deadline**

The application for admission to the examinations – Encl.1, duly signed in his/her own handwriting has to be sent only by **certified mail** (letter sent by recorded delivery with acknowledgement of receipt) – to avoid the exclusion from the competitive examination – within 07th July 2015 and addressed to the “Dirigente della Ripartizione Affari Istituzionali e Internazionali” - Seconda Università degli Studi di Napoli - Piazza Luigi Miraglia, Palazzo Bideri - 80138 NAPOLI (on the envelope must be written ”Domanda di ammissione ai corsi di Dottorato di Ricerca”). The respect of the deadline is proved by the postmark on the envelope. Candidates will be excluded from the competitive examination for a lack of one of the following requirements:

a) his/her own handwriting signature;

b) his/her last name, first name;

c) date and place of birth;

d) residence or domicile, candidates graduated abroad may also specify an address in Italy or the address of the candidate's Embassy in Italy, elected as domicile in order to the candidate's participation to the public competition;

e) the correct title of the Research Doctorate Program he/she wishes to attend;

f) the university degree held, the date and the University which has issued the degree, as well as the length of the attendance period; or the equivalent degree attended in a foreign university with the number and the date of the Decree of the Rector of the Italian University stating this equivalence.

g) the request for equivalence to the Examination Board (Encl.1a), if one has not already been declared equivalent, as well as the academic title translated by the Italian Embassy or by an official translator.

Candidates who want to apply for more than one Ph.D. Course have to send a separate application for each Research Doctorate Program they wish to apply for, anyway it is possible to put all the applications in the same envelope. The University Administration is not responsible when candidates will not receive communications if they do not communicate the change of address or if it results incorrect. Applications for the admission and the competition call are available on the University Website, [www.unina2.it](http://www.unina2.it) at the link **Didattica – Dottorati di ricerca – Bandi**.
Application enclosures

Candidates have to enclose the following documents to the application:

1) self-certification about degree with marks quoted (as mentioned Encl. 2);
2) original or certified documents or copies of them self-certified (Encl. 3 including a copy of a valid identity document) relevant for the competitive examination - the degree thesis, knowledge of Foreign languages and other skills opportunely certified;
3) a list of all qualifications enclosed to the application, in two copies.

The degree certificate has to be translated from the qualified Diplomatic Representative.

Other documents can be submitted in Italian, English, French and Spanish version self-certified according to the Italian laws and regulations.

Winners have to produce the above mentioned documents in true copy within 60 days from the publication of results on the University Notice Board.

Candidates suffering from a handicap – in compliance to Act no. 104/05.02.1992 – shall specify which kind of assistance is needed according to their handicap.

After 3 months from the competition acts approval, candidates can take back their documents and publications. Documents will be returned at the expense of the candidate, or directly to the interested or to the delegated person. After 5 months from the competition acts approval the “Ufficio Ricerca” is no more responsible both for storage and for delivery of documents.

Any additions to requests to participate must be received by the due date of this announcement. It will not be taken into account, therefore, any additional documentation received after that date.

Examinations for admission to the research doctorate program

The application for candidates graduated abroad reserved positions consists only on the curriculum assessment or in addition an oral examination, as indicated for each Ph.D. Program (Encl. A).

Candidates graduated abroad can do the examination in a E.U. language as specified for each Ph.D. Program.

Curriculum assessment concerns:

a) the degree thesis (the degree pertinence with the Ph.D. scientific topics, the degree final grades);
b) knowledge of Foreign languages and other skills opportunely certified;
c) research and study period in Italy and abroad;
d) scholarships;
e) post graduate qualifications;
f) other documents relevant for a full assessment (for example a reference letter written by a Professor of the foreign University where candidates are enrolled).

Further documents can be submitted in Italian, English, French and Spanish version self-certificated according to the Italian laws and regulations. Winners have to produce the above mentioned documents within 60 days from the publication of results on the University Notice Board.

Candidates have to show a good knowledge of a Foreign language as indicated in the enclosure A. Examinations aim to assess candidate aptitude for scientific research.
Oral examinations topics will concern the scientific-disciplinary specializations of the chosen Research Doctorate Program. Place and timetable of examinations are indicated in each Ph.D. program (Encl. A).

This call serves as public notification, therefore, candidates who will not receive the exclusion notice, without any further announcement have to reach the examination seat in the date indicated for each Ph.D. Program, equipped with a valid identity document.

Candidates absence on the estimated date for examinations will be considered as a renouncement, in any case.

Every change to the timetable will be notified through the University Notice Board posted up in the same date and place where the examination would have taken place.

Oral examination is open to the public.

Candidates are admitted to the examination conditionally, having the Administration the duty of the relevant requirements check.

In every moment the Administration can decide the exclusion for a lack of requirement through a Rector written declaration.

One of the following valid identity document is required:
   a) identity card
   b) passport
   c) driving licence

**Board of examiners for admission and their tasks**

A Examination Board for the comparative evaluation of candidates will be appointed for each Doctorate Program by a Rector Decree according to art. no.13 of the University regulation on PhD (D.R. no.1970/17.07.2008).

Each Board of examiners will establish assessment standards to assure an appropriate and clear comparative evaluation.

Each Examination Board of can assign a maximum of 120 points for each candidate assessment:
- qualifications assessment only: max 120 points – minimum 72 points
- qualifications assessment and oral examination: qualifications: max 50 points – minimum 30 points
  oral examination: max 70 points – minimum 49 points

Examinations will be considered positive if candidates reach, at least the minimum of points above mentioned.

The candidates list will be published as indicated in the Enclosure A while the list for reserved positions will be published on the website of the Department where the course is attended.

**List Ratification**
The winner list will be approved by a Rector decree. In case merits being equal between two or more candidates the youngest one has the priority.
For courses PhD articulated in curricula will be published a single merit list.
The list will be available on 06th October 2015 on the University Website www.unina2.it at the link Didattica – Dottorati di ricerca – Bandi.
Such publication represents official notification of the competitive examination results.

Courses admission and concerning documents

From 07th October 2015 to 13th October 2015 winners, to formalize the enrolment, have to submit personally to the “Ufficio Ricerca”, located in Caserta, Viale Lincoln, 5 Building B – 81100 Caserta - from Monday to Friday from 9:00 am to 12:00 am and on Mondays and Wednesdays also from 14:00 pm to 15:30 pm - the enrolment form available on our website www.unina2.it at the link Didattica – Dottorati di Ricerca - Adempimenti per i dottorandi.
Enclosed to the enrolment form the following documents are required:
1) a copy of an identity card duly signed;
2) a copy of the tax code;
3) a copy of the permit of stay or a copy of the permit request;
4) the receipt of payment of € 476,50: € 320,50 as enrolling fees, € 140,00 as regional contribution and € 16,00 as tax stamp only for students without grant;
5) the receipt of payment of € 140,00 as regional contribution and € 16,00 as tax stamp only for students with grant;
6) Registration to I.N.P.S. (National Social Insurance Agency) separate management only for student with grant.
Such fees have to be paid using the PTA form, available on the University website: www.unina2.it at the link Didattica – Dottorati di Ricerca - Adempimenti per i dottorandi.

Student grants

Grants will be assigned according to the list order. In case merits being equal between two or more candidates the priority will be given according to the candidate economical situation as regulated by the rules for students tax payment of the University.
Grants will cover all the length of the course.
For the Academic Year 2015/16 the grant annual amount is 13,638,47 euro and it shall be prepaid every month before the attendance, study and research activities. The student gross income per year can not exceed 12,911,42 euro.
In case of renouncement, income exceeding or incompatibility according to the rules in force on PhD, the student has to give back the amount of the grant already received only if the income limit has been exceeded.
Those having already received a student grant for a Research Doctorate Program, even for one year, can not apply twice.
Grants cannot be cumulated with other grants except for those granted by Italian or foreign institutions to integrate training or research activities abroad. The amount of the scholarship may be increased by 50% for attendance abroad. Those periods cannot exceed one half of the length of the Ph.D. From the second year each student, besides to the grant, will receive a budget for the research activities in Italy and abroad for an amount not less than 10% of the grant itself. If the student is not valued positively for the renewal of the grant, or abandon it, the unused amount remains available to the institution, for the same purpose.

### Fees and contributions

Candidates without grant have to pay the contribution for each year of the course. Those who do not pay the contribution cannot take the final examination for the award of PhD. The contributions and fees for candidates graduated abroad without grant cannot exceed one half of the amount estimated for Italian ones. Candidates with grant who renounce to the scholarship have to pay contribution and fees for that period as regulated each year by the University Corporate Bodies. Enrolling fees and contributions fixed for the academic year 2015/16 are:

1. 476.50 euro for candidates graduated abroad € 320.50 as enrolling fees, € 140.00 as regional contribution and € 16.00 as tax stamp only for students without grant;
2. € 140.00 as regional contribution and € 16.00 as tax stamp only for students with grant;

Such fees have to be paid using the PTA form, available on the University website [www.unina2.it](http://www.unina2.it) – at the link “Didattica - Dottorati di Ricerca – Adempimenti per i dottorandi”.

### Rights and obligations of doctorate students

PhD Course Participants must ensure an exclusive commitment and full time. Doctorate students have to attend all the scheduled activities, make oral and written reports required, accomplish all tasks assigned by the Academic Board of the Research Doctorate Program and prepare the final doctorate thesis. The candidate who wins a course of doctoral research in international cooperation has to spend a minimum stay of three months. The aspiring candidate who wins a doctoral course has to spend a stay abroad for a period of time, as provided by individual agreements. Students with grant have to obtain yearly at least 60 credits. The activities of the students without grant are regulated by the Academic Board of the Research Doctorate Program. At the end of each academic year the Academic Board, on the basis of detailed activities and researches reports of each doctorate student, will deliberate their admission to the following year or propose to the Rector their exclusion from the Research Doctorate Program.
Procedure for the attainment of the title of research doctor

The Title of “Research Doctor” or "Ph.D." is released as a result of the positive evaluation of a research thesis that contributes to the advancement of knowledge and methodologies in the subject chosen. Candidates who report a negative judgment will not be able to repeat the final examination. The Rector awards it in compliance with the University Regulation.

Treatment of the personal data

According to art. 13 of Legislative Decree no. 196/30.6.2003, the personal data supplied and those that will be collected during the research doctorate course, can be used by the University Administration only for institutional reasons.

Further Information

Further information are available on the University Regulation on Ph.D. Program and on the University Website [http://www.unina2.it](http://www.unina2.it) at the link “Didattica - Dottorati di Ricerca - Dottorati di ricerca - Adempimenti per i Dottorandi”. Candidates graduated abroad can also apply for non reserved positions as the Italian ones, information are available on our Website [http://www.unina2.it](http://www.unina2.it) on the Italian version of the competition.
